

## *Surprised by Motherhood*

### BOOK GROUP AND TEA

Whether you are a mother, have a mother or know a mother – you're invited to a book group about the everyday chaos and wonder of motherhood.

I'm hosting a book group for *Surprised by Motherhood*, the new book by [Lisa-Jo Baker](#), intended to open wide the door for conversations about the real, nitty-gritty of motherhood; linking arms with other weary souls; admitting the disappointments and dispelling the myths; celebrating the victories; and ultimately, bringing the glory back to the mundane.

We'll read about three chapters a week for the first three weeks and on the fourth week we'll enjoy the final chapter and celebrate with our own Mother's Day Tea.

I'd love to have you, even if you can only make one of our times together.
